SEPTEMBER 2021

Curtin
HERITAGE LIVING

Happy Father's Day

Father's Day is a day of honouring fatherhood and paternal bonds, as well as the influence of father figures in society.

Curtin Heritage Living wish all the amazing fathers, and father figures, a very special Father's Day on Sunday 5th September.

We invite friends and family to join us in celebrating this day.

Afternoon tea at Hamptons City Beach? Why yes please!

As the weather begins to improve and the sun shows itself a little more, our residents are out and about with friends enjoying themselves. Hamptons City Beach provided us with the perfect place to enjoy a drink with friends on a lovely afternoon.

Have you ever wondered what our development looks like from a bird's-eye view?

Marine Views Cottesloe and Waterfront Cottesloe - August 2021

Thanks to our construction team Built, we are able to show you this wonderful aerial view of our development.

Can you believe we started just 14 months ago and in a few short months it will be time for us to move in? Even with significant rain fall during the month of July, the team have been able to press ahead with their work.

The internal joinery is close to completion and carpet laying has commenced to all the common areas. Civil works for the landscaping have also begun including the grading for our very grand entrance off Gibney Street.

Thank you to our all residents who have so graciously lived among the noise and activity of a very large construction site. We appreciate hearing your comments and have you sharing in the excitement of our new home.

Dementia Awareness Month

Dementia Australia are promoting Dementia Awareness month in September and Dementia Action Week from 20 - 26 September.

The campaign slogan '*A little support makes a big difference*' is a call to our community to better understand dementia. It also aims to educate people how just small actions of support can make a big difference in the lives of people living with dementia and their loved ones.

Please visit dementia.org.au if you would like to know more about Dementia Awareness Month.

RiverSea Village resident, Vivienne sets up the easel and picks up her paint brush again.

It is always so interesting to learn more about the lives of our people before they joined our community. We have a community of teachers, artists, sailors, builders, musicians and so much more!

RiverSea Village resident Vivienne, has picked up her paint brush after a long hiatus. She is enjoying being back at her easel and providing time and space for her creativity to come to life.

"I picked up my painting again a few months ago after a creative drought. Recently I finished my first painting for three years and put it in an auction at Mt Lawley and it sold on the night!"

"I attended the auction along with other village residents

with whom I have formed close friendships. We all celebrated the sale by going out to dinner after the auction. A perfect end to the evening."

"I have been a professional artist for the last 35-40 years. My artistic interests have given me a rich life. I am a graduate of Claremont School of Art, where I met Martin, my late husband. Martin was a TAFE lecturer, artist and bass player. I lectured in Fine Art at TAFE before Martin and I went to Spain where we lived for ten years earning a living by painting and making music. On our return to Perth we continue exhibiting and playing jazz. These days I paint often and still love creating new art for myself and others to enjoy."

Our community is rolling up for WA!

Curtin Heritage Living's pleasing COVID-19 vaccination rates

Close to 80% of our team have received a COVID vaccination

Just over 90% of our residents have received a COVID vaccination

"We are so pleased with how quickly our Curtin Heritage community has moved toward being fully vaccinated. A big thank you to everyone - every vaccinated person makes a difference for the entire community." - Pele Reeve, Head of Care and Lifestyle.

Team Recognition Awards

Congratulations to all our team members who have reached milestones and those who have been recognised by residents, family or their fellow team members for going above and beyond. We are very proud of your achievements.
