HERITAGE LIVING

Merry Christmas!

The Christmas period is full of sentiment and memories. It is a time when we enjoy the company of friends and family, delight our loved ones with gifts and come together to celebrate over our favourite Christmas foods.

We are looking forward to sharing the festive season with our Curtin Heritage Living community.

Marine Views Cottesloe celebration

On Wednesday 10 November we gathered with industry colleagues and partners to celebrate the completion of our new home Marine Views Cottesloe.

It was a wonderful opportunity to publicly thank all of the people who had contributed to the project.

The evening highlight was having Wearne (now Marine Views) resident Kath Pass join our Chairman, Ray Glickman in unveiling the buildings dedication plaque.

Meet Tania - our new Hair Stylist for Marine Views Cottesloe

Tania has joined our Curtin Heritage Living team in the role of Hair Stylist for Marine Views Cottesloe. She will be working from our beautiful new salon located on the ground floor.

Tania's work days are Tuesday, Thursday and Friday (to get you ready for the weekend!). She is an accomplished hair stylist who is skilled in perming, colouring, cutting, blow dries and much more.

Tania says: *"I am so excited to be working here and I am looking forward to getting to know our Curtin Heritage community. I would love to meet you all, so please pop in and say hello"*

Tania is a pretty active person, so when she isn't styling hair, you will likely find her doing pilates, walking with friends and spending time with her family in Mandurah. Welcome to the team Tania!

Mind the Change - inspiring RiverSea residents

Mind the Change (MTC) facilitate art and performance based workshops for people living with dementia and those who care for them. In order to combat isolation, the MTC team provide opportunities for people to engage using drama, laughter therapy and other creative tools.

The RiverSea team have been working with MTC once a week for all of November to conduct workshops with and for our residents.

Residents have enjoyed music and singing workshops along with visual arts classes.

To celebrate the end of the MTC program, our residents will participate in a concert just at 10:30am on Tuesday 14 December - just before Christmas lunch.

Lights, camera, action!

It has been a busy year for our entire team as we prepared for our move into Marine Views Cottesloe.

Pictured left is our amazing film team who participated in the filming of our team training videos.

We covered everything from room care, documentation and care trolleys - right through to how to use a hoist.

Thank you to our Curtin team and our videographer Russell (centre) who made us all look good!

Model residents

A couple of weeks ago we spent three days photographing our new home, Marine Views Cottesloe.

We were very grateful to have four of our residents agree to be our models for one of those days. Some were kind enough to join us for a few hours on the second day which was greatly appreciated.

A big thank you to Fred, Penni, Beryl and Gladys for being such great sports. Thank you also to Maddi - Curtin Heritage OT and Physio Emilie who helped us make it all happen!

Team Recognition Awards

Congratulations to all our team members who have reached milestones and those who have been recognised by residents, family or their fellow team members for going above and beyond. We are very proud of your achievements.

Team Recognition Awards

- Trang Nguyen from RiverSea
- Louise Andrews from Marine Views Cottesloe

Training time!

As we readied our team for the move into Marine Views Cottesloe, our training and education leaders have spent many hours preparing and delivering training.

We want to say thank you to Pauline Watson Education coordinator and Jennifer Stratford, Care support coordinator who have consistently delivered informative, inspiring and enthusiastic training sessions.
