

MEDIA RELEASE

Curtin Heritage Living Assumes City of Nedlands In-Home Care Services

Perth, Tues 12 December 2023: Curtin Heritage Living, a leading not-for-profit provider of aged care services, is delighted to welcome City of Nedlands in-home care clients into our community. Services will be delivered by Shine Community Care, our dedicated in-home care service provider.

The move follows the City's decision to cease commonwealth funded in-home services from December 2023.

Curtin Heritage Living has provided care services to older people living in the western suburbs of Perth for close to 45-years. It is ideally positioned to extend these services to residents previously serviced by the City of Nedlands.

Curtin Heritage Living Managing Director, David Cox says:

"We are delighted to be able to extend our in-home services to the residents of the City of Nedlands. Our team of professional and caring people are dedicated to ensuring the well-being and independence of our new clients. This expansion is a testament to our dedication to ensuring older community members can continue to live meaningful and connected lives."

Curtin Heritage Living General Manager, In-Home Services, Chris Minchin says:

"The City of Nedlands team have provided a wonderful service to their clients for many years and should be proud of the care and support they have delivered. We are particularly pleased to have some of the City of Nedlands staff joining us at Shine to provide care to their existing and new clients. We are excited by our growing community and look forward to combining the expertise of Curtin Heritage Living and the specialised experience of the Shine team to ensure older people are able to live as independently as possible for as long as they choose."

If you would like to know more about accessing in-home or social support services for yourself, a friend or loved one, please visit our website shinecommunity.com.au or call us on 08 9382 7550 to find out how we can assist you.

About Curtin Heritage Living:

Curtin Heritage Living is a not-for-profit, community organisation that has been providing services to older members of the western suburbs of Perth for close to 45 years.

Our services include independent living accommodation, home care services, residential aged care, including the provision of specialised care for people living with dementia and other higher care needs. Our in-home services are delivered by Shine Community Care, acquired by Curtin Heritage Living in 2022.
